### May 2025

### NCECC: St. Michael

Dear Parents and Guardians,

It is hard to believe that May is upon us so soon. It is a beautiful time of the year as new life can be seen, and we are moving quickly towards the end of the school year. As the weather turns warmer, let's remember to be thankful for all our blessings this past year.

The week of May 5 is reserved for National Teacher Appreciation Week. The students and families of Newman Catholic Schools are blessed with awesome, caring teachers from the classrooms of our youngest students to our seniors. Catholic school teachers are like our Catholic school parents, they make a purposeful decision to be a member of a Catholic school family. Our students' teachers certainly include classroom teachers, but our classroom and playground aides, food service, office, maintenance/custodial, advancement, athletic and administrative staff members. As a collective group, we all teach in some way. This week, Newman Catholic Schools parents and students are encouraged to take a moment out of their busy lives and acknowledge their child's teachers – classroom, specialists, and all of our support staff members – in prayer, thoughts, or deeds. Let this dedicated crew know how much they are valued and appreciated. May God bless our Newman Catholic Schools teachers and staff members!

Our end of the year picnic will be Thursday May 22. RSVPs are due by Thursday, May 8. We hope that you will be able to join us as we celebrate together the wonderful year we had together.

The month of May is also the month of Mary, the Mother of God. Together we celebrate the gift of a mother in our lives. May God bless all women who serve in the special calling of motherhood. You are a blessing to others and an example of God's love for us. Have a Happy Mother's Day – May 11.

The last day of school for Preschool will be Friday, May 30th.

The last day of school for 4K will be Thursday, June 5th.

I would like to thank everyone for their continued support of NCECC: St. Michael. We appreciate all your volunteer efforts throughout the year. The students, faculty, and families are dedicated to the success of this school. This makes our school a shining example of Catholic education! God bless each of you!

God Bless,  
Sarah Welch  
Site Director

Happy May from Young Disciples,

Finally, the beautiful weather has started and that means less layers (fingers crossed) Please make sure your child has appropriate clothing.

This is a big Month for us because first we celebrate our Mom's and everything they do for us. Happy Mother's Day to all Moms. This part always makes me sad but it's also time to say goodbye to some of our friends as they leave for the summer. I will be throwing an end of school year party for the entire Young Disciple class. More of that information will be coming out very soon so please watch for that in your children's backpacks. I truly have enjoyed having your children

in my room this year and am going to miss them so much. Thank you, parents, for all your help with parties and even gifts you have given me. I am so blessed to care for your children and am sad to see them go but I know they are on to bigger and better things. There is one birthday this month. Ethan turns 5 on May 13th. Happy Birthday to you! Also

wishing the kids who celebrate birthdays this summer, I hope you have a fantastic day! You deserve it! Wishing you all a warm and beautiful summer filled with fun, love and memories that will last forever.

God Bless you all,  
Ms. Paula

## Classroom News (continued)

### Preschool

Hi 3P Families,

We are entering our last full month of 3P! The kids have all grown so much this year, and it has been amazing to watch them learn and grow. This last month, we will talk about plant life cycles and bees and flowers. We will run through our final assessments for the end of the year and continue practicing all of our shapes, letters, numbers and colors. In class we have covered every letter and its sound so we are reviewing those daily! If you have time, see what letters and sounds they can tell you about. We will also be working very hard on independently writing our first name, starting to write some of their numbers if they can, and drawing a full picture of a person. I just want to thank all of the families I have had this year. You are all so wonderful, and it has been such a joy to work with your kids this year. They have accomplished so much! This summer keep those hands strong and ready for 4K with lots of coloring, cutting, painting, and sidewalk chalk fun! Have some fun doing letter and number hunts or playing I spy!

Ms. Monica

### 4K AM and 4K PM

#### **Hello parents and guardians!**

Welcome to May and June! We've made it to the end of the school year! As the school year comes to a close, I just wanted to say thank you for welcoming me to the 4K position so late in the year. The transition may have been a bit strange for some of the students, but they did a fantastic job with accommodating!

#### **Change!**

In these last weeks of school, the students will be learning about:

- What change is and how it can be big, small, fast, or slow
- Earth changes, such as weather, day and night, and the seasons
- Ways to protect animals, plants, and all of Earth's gifts
- All the changes that have happened during their year of 4K

**Show and Tell** will continue throughout the school year, so please remind your child to bring something each and every Thursday!  
**PLEASE NO REMOTE CONTROL TOYS**

#### **Regular Reminders**

- Library books are due as late as each Thursday morning; they do not get to check out a new one if they forget their previous one
- Water bottles are very helpful to have for snack time, make sure your child remembers to bring theirs!
- Toys from home should stay at home! There have been too many instances of personal belongings getting broken when brought to school; please keep toys at home!

#### **Upcoming Dates**

- Mon. May 5: Field Trip to the school forest (leaving at 8:30 am, returning around 11 am)
- Fri. May 9: Muffins with Mom (10 am for morning 4K, 2 pm for afternoon 4K)
- Thurs. May 22: End of Year Picnic @ 11 am
- Fri. May 23: No 4K (WSD professional learning day)
- Mon. May 26: **Center Closed** (Memorial Day)

Enjoy the rest of the school year!  
~ Mrs. King

### NCES: St. Anne & NCECC: St. Michael Home and School

Thank you to all of the families that were involved in Home and School this year. Your service, time and support makes a big difference. Thank you!!

We will be looking for more involvement from our families during the 2025 - 2026 year. Everyone is a member of the Home and School Association and it cannot function properly without response and involvement. We are looking at breaking the events down, looking at each one separately, and asking families to commit to helping with that one event. Many hands make light work. Please think about what you can do and how our events ultimately benefit the children!

## Fun Snacks

There are many easy ways to make healthy snacks fun. Try these ideas at home.

Create smiley faces with pieces of fruit.

### Dippin' Vegetables

Thin strips of bell pepper and low-fat dressing or hummus (bean dip) make a great snack.

### Smart Drinks

Plain water and low-fat milk make great beverage choices for snack time.

### Snacks-to-Go

Decorate sandwich bags or fruit cups with markers or stickers. Healthy snacks can also come in fun packaging.

### Super Shapes

Use cookie cutters to cut fun shapes out of sliced whole-grain bread, watermelon, low-fat cheese, and more.
