

# JASPER-TROUPSBURG NEWSLETTER

MAY 2025 EDITION

Dear Jasper-Troupsburg Community,

Hello, Spring! This is always a busy and exciting time in our district as we continue preparing the 2025–2026 school budget and gear up for our annual budget vote on May 20th.

We're thrilled to share some exciting news from FEMA that arrived at the end of last month. After years of advocating for the relocation of our school building, we've finally met one of the most critical criteria needed to move forward. The district recently re-evaluated the damage sustained at the Jasper building, looking specifically for any latent damage that may have occurred over time due to the original flooding.

Working alongside LaBella Architects and Engineers and Campus Construction, our team conducted a thorough structural evaluation. During this process, several new areas of damage were identified. The team collaborated closely with FEMA to assess these damages using FEMA's cost evaluation methodology.

Following their review, FEMA determined that the cost to repair the Jasper building is approximately 55% of the cost to replace it — which is a major milestone. This means we have now met one of FEMA's key thresholds for building replacement, a goal we had previously fallen short of.

To relocate the building, we must meet three criteria:

1. The building must have sustained repetitive damage.
2. Rebuilding must be more cost-effective than repairing.
3. Plans for the new location must not be restricted by other regulations.

At this point, we've met two out of the three criteria, with important work still ahead. However, reaching the 50% repair-to-replacement cost threshold is a huge step forward.

We are incredibly optimistic about the future and what this means for the rebuilding of the Jasper building. As we move through this process, we will continue to share updates and engage with our community. Your input will be vital as we determine the best path forward — one that honors our past and embraces our vision for the future.

What we know for sure is this: we have the opportunity to design and build a school that not only serves our students' needs but positions our district as a regional leader in education. Please don't hesitate to reach out with any questions or concerns. Thank you for your continued support of our schools!

GO WILDCATS!

## **HIGH SCHOOL NURSE'S OFFICE NEWS**

Immunization reminders: if your child is entering 7th or 12th grade next year, they are required to have the Meningitis vaccine(s). 7th graders are required to have one vaccine and 12th graders are required to have two, unless their first was given on or before their 16th birthday.

If you think there is any possibility that your child will work over the Summer, please have them stop by the Health Office to obtain an application for a working permit. A working permit is required for any student employment until age 18. Once Summer vacation starts it is difficult to obtain a permit. Please plan ahead and get your permit even if you are not sure if you will work.

To parents of Homeschool students who receive special education services (speech, OT, PT): You need to request in writing by June 1st that you wish your child to receive those services next year. Please contact Ms. Newcomb or Mrs. Tompkins if you have questions.

Attention Homeschool Families: New York State regulations require parents or other persons in parental relation to a student of compulsory school attendance age to annually provide written notice to the superintendent of schools of their intention to educate their child at home by July 1st of each school year.

*Tristen Carney and Alice Gerow* competed in the HOSA NYS Competition last week. There were over 800 students from across the state competing. Congratulations to Alice for receiving a Silver Medal in Nursing Assistant. They all did an incredible job representing both Wildwood and Jasper-Troupsburg.

Congratulations to the music program for putting on a wonderful concert on Thursday, April 3rd. Jazz band performed Jump Jive an' Wail, Moondance, Europa *featuring Nathan Finis*, and Wipeout. Chorus performed Somewhere Out There, The Y.M.C.A., and What A Wonderful World. *Olivia O'Brien* performed a Tenor Saxophone solo called Merry Go Round Of Life. Jr High Band performed Sonic Radiance, Resilience, and Mysterious Chase. Finally, Sr High Band performed Fanfare For A New Era, Kinetic Dances, and Explorations. Great job to everyone who performed.

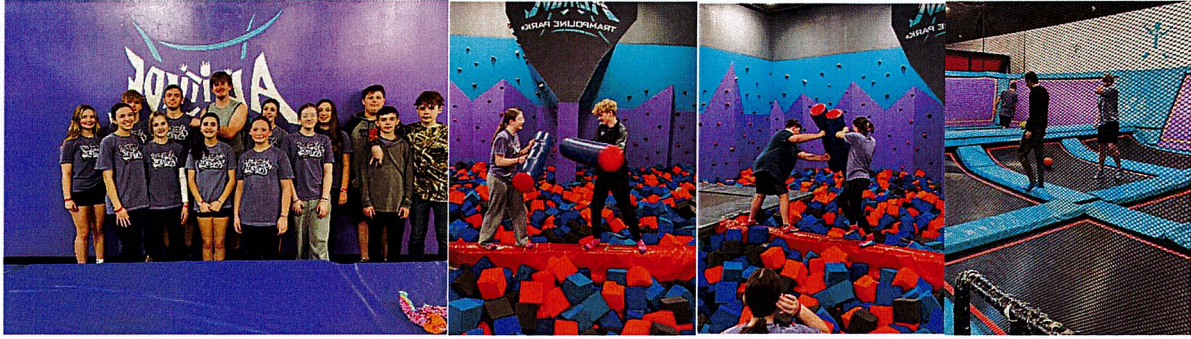

The Save a Life Tour visited our 9th – 12th graders this month! Students were able to participate in this safe driving awareness program that informs, educates, and demonstrates the potentially deadly consequences resulting from poor choices and decisions made by the operator of a vehicle.

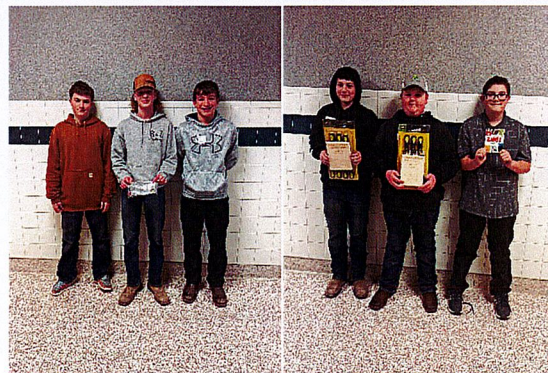

Student Council took a trip to Altitude Trampoline Park. The trip was a team- bonding experience where we learned the importance of working together and spending time together as a “team”.

On March 22nd the JT FFA traveled to Penn Yan Academy to participate in the Fingerlakes CDE competition. 19 students went and participated in various career development events to practice for states. In Jr. Tool ID, Landyn Mattison took 8th, Trig Sherer took 5th and Parker Doan took 4th with Lucas Stephens and Harleigh Bonnewell also participating. For Maple Production Aaden Stone placed 9th while Brody and Hunter Petteys also competed. In Ag Mechanics, Brent Ross took home 1st, with Megan McGregor, Justice Bevis, Camden Southard, and Matthew Donaldson also participating. Abigail and Isabel Onyan, Alicyn Rippel, Lilah Decker, Jessalyn Carl, and Carmen Kihm attended a floriculture workshop where they learned to make boutonnières and corsages along with other floriculture skills. Our Ag Mechanics team will head to SUNY Cobleskill on March 28th to compete for states, while the others will be attending the 100th annual New York State Convention in May. We want to wish them all the best of luck!

**Try Trades Day** was a hit yet again for our 9th grade students. The Career Development Council along with many others host this event in Big Flats. Students have the opportunity to meet with and learn about different trades and union representatives. They are even able to test out the equipment!
