**Virgin Islands Department of Education Issues Addendum I for 21st Century
Community Learning Center Grant Opportunity- Second Pre-Application Technical
Assistance Workshop Scheduled for April 23, 2025**

The Virgin Islands Department of Education (VIDE) has issued Addendum I to RFP-VIDE-2025-002 under the Nita M. Lowey 21st Century Community Learning Centers (21st CCLC) grant program. This update reaffirms VIDE's commitment to providing robust out-of-school-time learning opportunities and includes important clarifications for applicants seeking funding to support the creation or expansion of before-school, after-school, and summer community learning centers in the St. Thomas-St. John and St. Croix Districts.

VIDE continues to invite eligible Virgin Islands Government agencies, non-governmental organizations, nonprofit community-based groups, and faith-based organizations to apply for this competitive subgrant opportunity. Proposals should aim to provide academic, artistic, cultural, and enrichment programming designed to meet core academic standards for school-aged children.

To further assist interested applicants, VIDE will host a second Pre-Application Technical Assistance Workshop on: Wednesday, April 23, 2025, at 3:00 pm (AST) via Zoom. Please use the following information to log onto the workshop.
