Thank You

Dear Brewer Bear Supporter,

White Settlement ISD appreciates your interest in supporting our students through one of our sponsorship opportunities. Our students do an outstanding job of representing their community both in and out of the classroom. Your support will allow them to continue to do great things and maintain the Fightin' Brewer Bear tradition of excellence.

Your sports marketing sponsorship produces a revenue source that helps fund our amazing

students and programs. It is also a visible sign to our community that you believe in our students and our great district. We are so grateful for your support and trust that you will find an athletic marketing sponsorship to be a valuable tool in growing your business! Thank you for helping us make White Settlement ISD the Best District in the Universe!

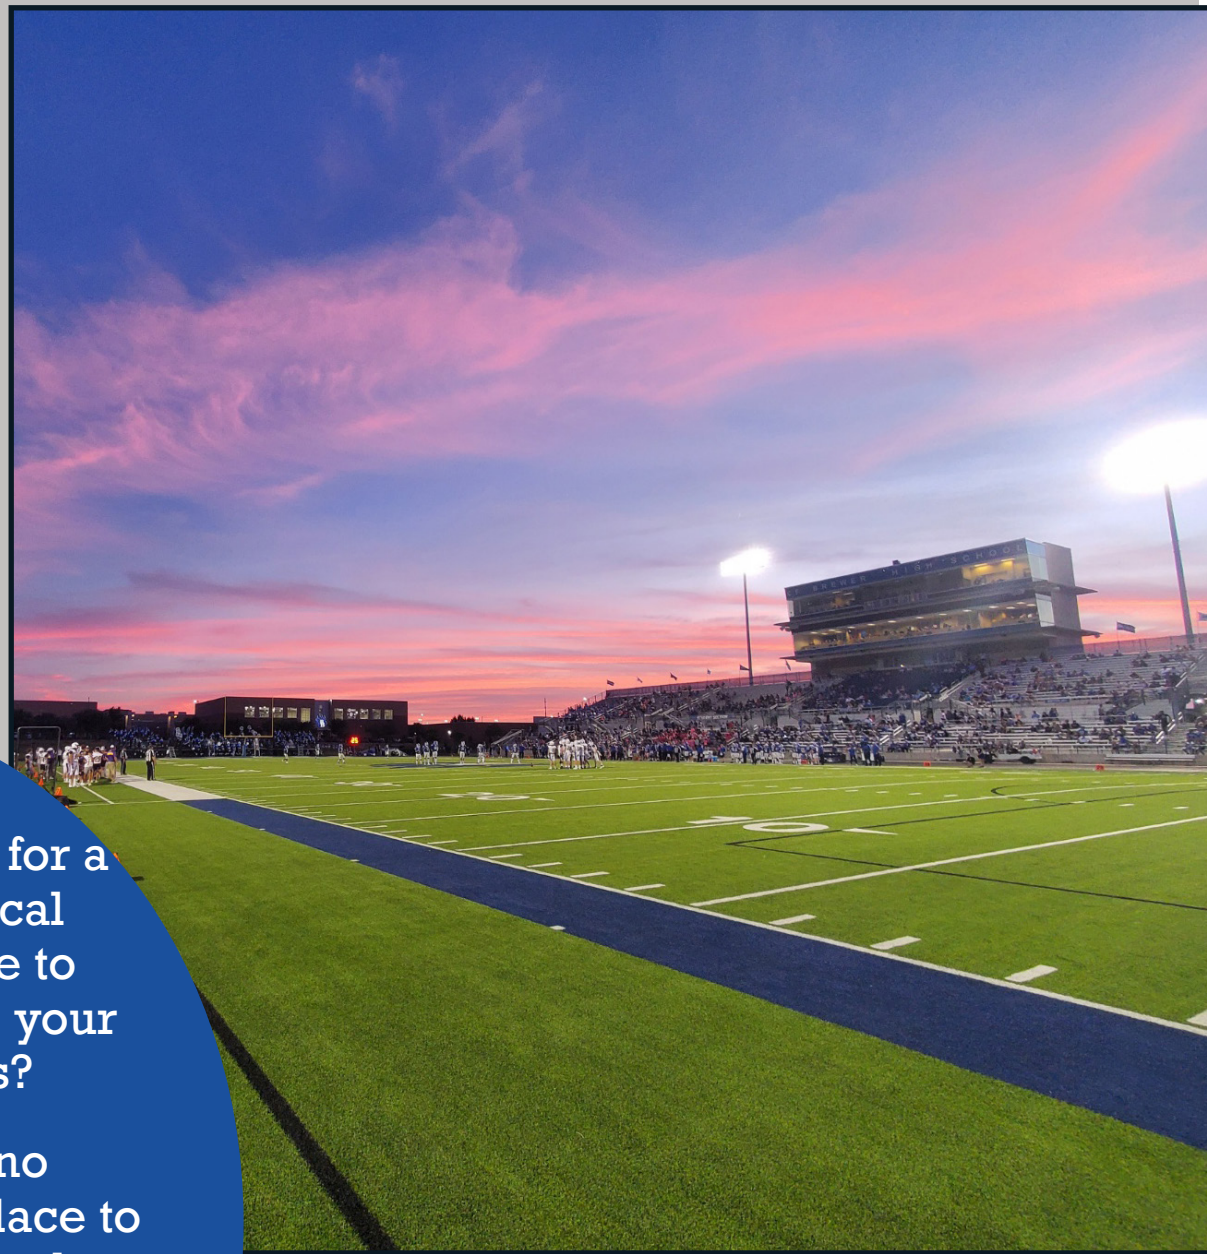

Sincerely,

Frank Molinar
White Settlement ISD

Looking for a large, local audience to promote your business?

There's no better place to advertise than under the Friday Night Lights!

The Brewer High School basketball and volleyball programs draw thousands of spectators annually.

The gyms serve as host to regular games two to three nights a week, annual community-wide events such as the Brewer Winter Sports Rally as well as a playoff game site for districts throughout Texas.

Our gym offers maximum exposure for current and potential advertisers!

BUILDING

LEADERS

FUTURE

The Brewer High School Baseball and Softball Fields offer year-round play in any type of weather; both fields have synthetic turf. In addition to regular season games, the district hosts multiple tournaments, a community-wide health fair, and various playoff games. Our gym offers maximum exposure for current and potential advertisers!
