Time: 9am–5pm

Grades: 3-6 (25/26 Grade Level)

HAMMARSKJOLD

FEE: \$476

Last Day to Register: June 23rd*

- Spots are limited and registration may close earlier, if program reaches maximum capacity.

Young Coders

Unlock your coding superpowers! In this beginner-friendly camp, you'll dive into the exciting worlds of block coding, JavaScript, and Python while creating your very own playable mini-games. Through hands-on projects and fun challenges, you'll build real skills and spark a passion for technology.

Working in teams, you'll collaborate, code, and conquer each new task — just like real developers. Best of all, your games will be featured on a secure Black Rocket website, ready to show off to friends and family! No experience needed — just bring your imagination and get ready to code your future.

Virtual Reality: The Future is Now

Step into the future and unleash your imagination! In this high-tech adventure, you'll dive into the world of virtual reality by designing your own immersive environments, building 3D experiences, and learning the basics of programming along the way. Create incredible virtual worlds that you can explore and share with friends and family! At the end of the week, take home your very own cardboard VR headset to experience your creations in a whole new way. VR projects will be available on a secure, password-protected Black Rocket website and can be viewed on a mobile device. (No mobile device is needed during class, but one will be needed at home to view your projects.)

- 1) Go to www.ebnet.org/cregister
- 2) Once you are logged in, choose "Register Here!" and select "Summer 2025 Enrichment" to view programs.

Program questions: (732) 613-6989/communityprograms@ebnet.org

Registration or payment questions: (732) 613-6674/ebonlinepayments@ebnet.org

Refunds or credits will only be granted if the activity is canceled due to lack of enrollment.

Camp Schedule:

9am–12pm : Coding Camp

12pm–1pm : Lunch (brought from home)

1pm–4pm: Virtual Reality Camp

4pm–5pm Snack brought from home and activity

Students must be picked up by an adult 18 years and older—no transportation. Please make sure your child brings a bagged lunch and snack from home.
