CodeStorm: Cloud & Python Creators Camp

Dates: July 14th–July 18th

Time: 9am–5pm

Grades: 5-9 (25/26 Grade Level)

HAMMARSKJOLD

FEE: \$466

Last Day to Register: June 30*

- Spots are limited and registration may close earlier, if program reaches maximum capacity.

9am—12pm Camp: App Attack: Cloud Game Creators - Build game apps you can play everywhere and anywhere using a web-based development tool. Learn in-demand skills like programming events and coding controls for a touch screen or keyboard and mouse. Finish by personalizing levels and characters with your own design. Now you are ready to upload your games to the Black Rocket cloud arcade and play on any mobile device or computer. Games can easily be shared with friends and family!

1pm—4pm Camp: Python Programmers Want to learn the world's fastest-growing programming language favored by Google and NASA? Discover how to code with Python using accessible web-based platforms that guide students through a series of daily lessons. Build fundamental tech literacy while creatively solving software engineering challenges! Students will work in pairs or teams for most of the program, and their work can be saved on a password-protected website to share with friends and family. Students must be picked up by an adult 18 years and older—no transportation. **Please make sure your child brings a bagged lunch and snack from home.**

- 1) Go to www.ebnet.org/cpreregister
