

# KCISD Chromebook 1:1 Insurance Program

Kirbyville CISD offers optional insurance to parents of students who are in grades 4 - 12 who will have a Chromebook checked out to them to be able to take home for school work.

- Cost to participate in the program
  - \$20 per Chromebook
  - Chromebook insurance may be purchased at One Stop Registration, at the time of checkout, or within a week of the date the Chromebook is checked out (for mid-year check-outs).
- Period of Coverage
  - The Chromebook will be covered for the current school year in which insurance was purchased. (Coverage is not retroactive.)
- Insurance Covers **accidental damage** to the Chromebook for the current school year.
  - Coverage includes accidental damage such as:
    - Drops: Cracked screens, Keyboard Damage
    - Liquid Spills
    - Liquid Submersion
    - Fire/Flood Damage
    - Natural Disasters
  - ***The power adapter is not covered under insurance.***
  - ***Loss and theft are not covered under insurance.***
- How to report an issue:
  - Students will submit the damaged Chromebook to their Campus librarian and will complete a Chromebook Repair Form and explain in detail how the damage occurred.
- If damage is determined to be malicious/vandalistic in nature, then repairs **will not** be covered under the insurance and repair costs will be the responsibility of the parent.
  - The most common repair items are listed below (parts pricing will be determined by the cost of the parts at the time of repair):

● Screen Bezel	\$17.00
● Outer Top or Bottom Cover	\$30.00
● Display Screen	\$25.00
● Keyboard or Touchpad	\$40.00
● Motherboard Replacement	\$100.00
● Chromebook Replacement	\$200.00

(if destroyed, lost, or stolen)

*Prices may change based on parts availability*

Insurance coverage in no way supersedes the Texas State and KCISD District requirement that all educational equipment, including textbooks and electronic devices, that are checked out for student use **must be returned in good working order**.
