Shannon Shirley, Assistant Principal

**Our mission is to promote
the successful learning of
every child, every day at
Waterway Elementary
through a caring and positive
environment.**

The School Improvement Council for Waterway Elementary School wants to share this School Summary Report with parents and community members who are interested in our school. The report reviews the progress made towards increasing student achievement and other accomplishments made during this school year. If you have any questions about the information in this report, please call 843-399-2204.
