

Annual Review Meeting Minutes

April 29, 2025

The meeting was held at 5:15 pm in the Library.

Persons in attendance:

Dan Larson	Superintendent
Courtney Storhoff	Elementary Principal
Dr. Mike Nygaard	High School Principal
Jodi Combs	Title 1 Teacher

Items for discussion:

- 1) Student selection process: This year looked a bit different since we went Schoolwide Title. Students are selected by teacher referral on a daily basis. Whoever needs further assistance in a specific skill area is referred and worked with until they are comfortable with the skill. I choose students in the Jr. High and High School based on their missing work assignments. Those needing assistance getting assignments completed and turned in are targeted and pulled in.
- 2) Teacher/Title 1 communications: Teachers fill out a weekly lesson plan form so the Title 1 teacher can pre-teach, re-teach and keep the daily lessons fresh in the students' minds. Teachers are pretty good about providing this information.
- 3) Title 1 Assessment: The assessments used are STAR, I*Ready, state testing, Renaissance CBM, NDA+ and classroom tests. Progress monitoring is also used at least every other month.
- 4) Title 1 budget: The title 1 budget accurately reflects Title 1 expenditures. No changes for next year.
- 5) Results of surveys: Just put the survey on the MV website and Facebook, hoping to get good feedback.

- 6) Parental Involvement: Trying to think of ways to get our parents more involved. We do programs, such as, Breakfast with a Buddy, Code Camp, Holiday Shoppe, conferences, concerts and art shows.
- 7) Questions or concerns: None
