April 30, 2025

Dear Bristol-Plymouth Families:

I am writing to update you on a situation that occurred on campus earlier today.

This morning, the Taunton Police Department was conducting an investigation near the construction site on our campus. As part of the investigation, the entrance on Hart Street was temporarily closed during morning drop-off to allow police to secure the area and conduct their work safely.

Please be assured that at no time was there a threat to the safety of our students or staff. The school was never placed in lockdown or shelter-in-place status, and the educational day continued without disruption.

The Hart Street entrance has since been reopened and afternoon pick-up will proceed as normal.

We are providing this update as part of our ongoing commitment to maintaining open communication with our school community at all times.

Thank you for your patience, cooperation, and continued support of Bristol-Plymouth.

Sincerely,

Dr. Alexandre M. Magalhaes
Superintendent-Director
