1. Each member of the partnered teaching pair is considered an **equal** co-teacher. **All reasonable efforts will be made to minimize the number of co-teaching partners. ~~Teachers shall not have more than one co-teaching partner.~~**
2. The duties and responsibilities (attendance taking, planning, grading, parent contact, etc.) in a co-teaching classroom will be shared by **both members** of the co-teaching team.
3. Every effort will be made for co-teaching teams to have a common preparation period.
4. Each teaching pair will collaborate on co-teaching for not less than **30 minutes** per week. This time can occur during a common preparation period, banking time, or at another common, non-instructional time.

In the event that both teachers are absent only one substitute needs to be provided for the co-teaching section. Co-teachers may not be pulled from their co-teaching section to cover a vacancy elsewhere.
6. For the **2025-2026** school year, the co-teaching period ~~will not~~ **may** be used for the formal evaluation of either teacher. **Any evaluation of the teacher shall be independent of the performance of their co-teaching partner.** Informal observations may **also** occur. ~~but will not be tied to the formal evaluation.~~
7. The district will provide up to 3 release days for each teacher of the co-teaching pair for **2025-2026** school year. **One of the 3 release days may be taken as an additional pre-service day at the agreement of both teaching partners and must be worked on-site. Release days must be worked with the partner teacher. At least 2 of the 3 release days must be worked with the partner teacher.** A TOSA will be available to provide additional support as needed/requested.
