

RSVP-3 MORRIS COUNTY, NJ

- This application allows anyone in Morris County to anonymously report any act or instance that threatens, or harasses them, another individual, a friend, an entire family or family member, a school, or a community.
- The reported information is received in real-time by personnel of the Morris County Sheriff's Office and communications personnel at the Morris County Communications Center, and shared with the Morris County Prosecutor's Office and the local Chief of Police.
- These trained professionals then forward each tip to the appropriate investigating teams.
- These investigating teams consist of school officials, law enforcement officers, and mental health professionals designated by the leaders of each participating agency.

INVESTIGATING TEAMS

Investigative teams will receive tips that will most likely include:

- **Threats to Schools/Planned School Attacks**
- Threats of Suicide and Self-Harm
- Drug and Alcohol Activity
- Depression
- Fighting
- Sexual Assaults

TIP PATHWAY

- A tip can be submitted by a student, parent, educator, community member or the general public at any time.
- The tip will be received on the application Manager's Page by the Morris County Sheriff's Office and the Morris County Communications Center. The tips are reviewed immediately.
- Life-threatening tips require immediate action. Law enforcement will be dispatched by the Morris County Communications Center.
- A link to all tips related to each service area, will be sent to the appropriate investigative teams of educators, mental health professionals and law enforcement personnel via email.

In 2019, the “RSVP-3 Morris County, NJ” Application was funded for all Morris County Schools Districts by the Morris County Sheriff’s *CrimeStoppers* Program.
