The meeting was called to order at 4:30 p.m. The minutes were approved.

The following policies were discussed and recommended to the Board of Education for consideration to approve. The policy revisions are required for compliance with recent legislation and generally reflect minor versus substantive changes.

Policy ADF - District Wellness Program

Policy ECB – Building and Grounds Maintenance

Policy ECD – Traffic and Parking Controls

Policy EHB – Technology Usage

Policy IC – Academic Calendar/Year/Day

Policy IGD – District Sponsored Extra Curricular Activities

Policy IGDA – Student-Initiated Group use of District Facilities

Policy IND – School Ceremonies and Observances

Policy KG – Community Use of District Facilities

Policy KK – Visitors to District Property/Events

Policy ECG – Animals on District Property

The recommended change in this policy is precipitated by the New American Disabilities Act (ADA) regulations regarding the use of service animals in schools and other public places. This policy was referred to Dr. Lyon and the Special Services Department for further consideration and will be recommended to the Board of Education as a first read.

The next meeting will be June 18 at 4:30 in the new addition of Neil Aslin Building at 1818 West Worley.

Respectfully Submitted,
Dana Clippard
