THE FREEHOLD BOROUGH SCHOOL DISTRICT

FLC Diversity Night

Dear Parents and Staff,

As April comes to a close, we want to take a moment to celebrate the many accomplishments and moments of growth we've shared across our schools this past month. From classroom achievements to family, April was filled with energy, resilience, and a strong sense of connection.

Now, as we welcome May, we look forward to the exciting opportunities that lie ahead—end-of-year celebrations, student showcases, and continued learning. This is a time when we reflect on how far we've come and finish the school year strong, together.

To our incredible staff and dedicated families, thank you for your continued partnership and support. Let's make May meaningful and memorable!

Best regards,
Asia Michael, Superintendent

Thank Our Principals!

National School Principal Day is May 1st! It is a time to recognize and honor the great leadership and heart our school principals bring to our students, staff, and communities every single day. Our principals are more than administrators—they are mentors, problem-solvers, and advocates who work tirelessly to create safe, supportive, and inspiring learning environments. Their unwavering commitment helps shape not only academic success but the overall well-being of every student. Please join me in thanking **Mr. Smith (FLC), Mr. Brovak (FIS), and Mr. Mulhern (PAE)** for their hard work and dedication!

CONGRATULATIONS!

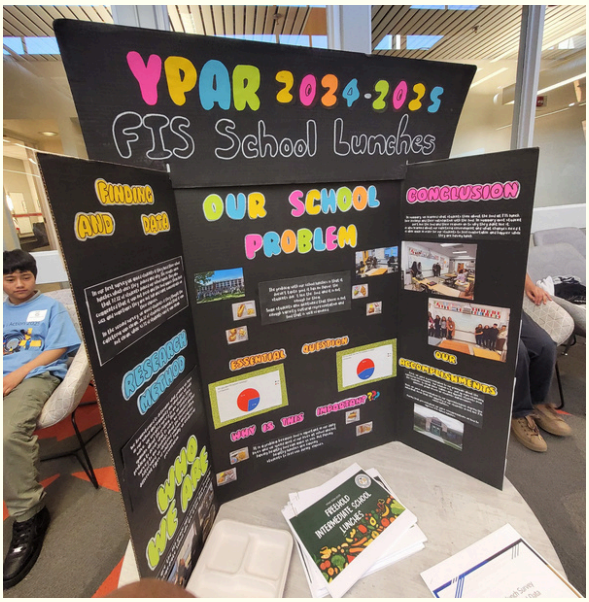

Our FIS Multilingual class was among 250 students who presented at the 2025 Youth in Action Summit at Rutgers University. The students presented their research project on school lunches, and it was amazing! Kudos to Mrs. Amador, Mrs. Elsamra, and the student presenters for all their hard work.

You did it!
