

Price Home & School Club Meeting Agenda

Jan 14, 2025

Meeting called to order 7:02 pm

1. Principal's Update – Margaret Lavin

- a. 2nd semester started 1/13
- b. Kindness week will be starting next week
- c. 2/6 at 9am, meeting in the library to start 5th grade parent tours on Price campus for next year's incoming 6th graders (the 5th graders will be on campus 2/10 and 2/11); might be a good time for HSC board members to talk about needing help and volunteers for next school year; charter students/parents will have a tour in March

2. President Update – Steve Flagg

a. Fun Fest 2025

- i. Asking for 5 parents to help execute it; Michelle is willing to help talk to prospective parents about what it entails, how to proceed and pass along all info she has with regards to coordinating the event
- ii. We've only had one inquiry as a result of the email blast; let's do more email blasts and maybe also include the sign-up geniuses to get people more interested
- iii. Need to confirm a date as well – potentially 5/2 from 3-6pm
- iv. Thinking that we'd sell tickets instead of having cash transactions to keep it easy

b. Family Dinner Night Fundraisers

- i. Recent dinner night raised:
 - 1. Al Castillo \$153
 - 2. Pizza My Heart \$350
- ii. Erik's Deli (Jan 25)
- iii. BBQ Pit (end of Feb)
- iv. Chipotle (April 2025)
- v. Maybe another Krispy Kreme and Dave & Busters play cards (we'd get \$10 for every \$20 card sold)
- vi. Stevie's (TBD) – looking for a Friday in March
 - 1. Teacher auction items and other no/low-cost items that the parents can bid on to help raise money

2. Hoping to have a good turnout to encourage more community/networking within the school's parents groups and also help with fundraising

c. Price musical 4/17 and 4/18 – Kendy

- i. Rehearsals start next week; emails have gone out to all registered participants asking to confirm their enrollment (will work thru the waitlist when/if spots open up)
- ii. Will start planning ticket sales (hoping to make a similar amount as last year \$6000; instead of HSC helping offset the costs to pay for all tshirts and videos (to preserve as much of the revenue as possible), Kendy will request all the parents of participants make a suggested donation of \$50 to cover the cost of these items)
- iii. Might want to talk about how to approach it next year and managing the demand (the signups were full almost immediately with a 30 student waitlist)
- iv. Will need to sign up and commit in Feb 2025 to wanting to do it next year as well

d. Project Cornerstone – Steve for Roly

- i. All volunteers are set up, but some need help getting the lessons scheduled
- ii. Celebration at the Project Cornerstone organization level – one of the Price students got to speak
- iii. Want to try to get all the volunteers together for breakfast. Can HSC fund the breakfast? Yes, there is \$100 for project cornerstone in the budget
- iv. Question: Does the program stop after 6th grade? Yes, so then no parents of 7th/8th graders get communications about this program

3. Treasurer's Update – Raul Silva

- i. Cash as of end of Dec is ~\$39,600 (all field trips were paid in Dec and assemblies as well)
- ii. Still behind on Giving Campaign (just around \$40K received; not all matching has been received yet though)
- iii. Suggestion to have at least \$20,000 going into next school year to ensure we can fund some programs before Giving Campaign starts; need to fund insurance and tax prep; can fully fund teacher stipends and student discretionary budgets; but we may not be able to fund other items that were previously in the budget (scholarships, hospitality, etc)
 1. Fun Fest and 8th grade picnic needs to be discussed and what we can fund

2. Possibly send another email blast to request donations with the messaging that otherwise, next year's kids are in danger of not having field trips and assemblies and start getting people aware we need volunteers too
4. Cambrian School District Board Update – Beth Erickson
 - a. Jarod Middleton is resigning as of this Thursday 1/16/2025
 - b. Will likely go thru the appointment process to fill his role on the board and the remainder of the term thru November 2026
5. CEF Update – Dave Hicks
 - a. Readathon is starting soon
 - b. Tax prep upgrades happening
 - c. Benefactor of a \$400,000 estate gift (yet to be received); will need to set up a committee to decide how it will be spent with proper oversight; needed to open a brokerage account to handle the receipt of the money, so now the CEF can accept future stock donations

Dave is willing to help as Price Treasurer for next year; he also knows a couple of other parents with students coming to Price next year that may be willing to help get involved

Meeting ended 8:06 pm

11 in-person attendees
