ROTC Walkathon Fundraiser

The Corps of Cadets participated in a 24 Hour Walkathon on April 5 camping out on the track field and staying up through the night walking laps to raise money for the local chapter of the Isaiah House in York County.

Lindsey Lendyak (wife of our football coach) was on campus this past week during Flex representing the Isaiah House 117 (*Isaiah 117 House* provides physical and emotional support in a safe and loving home for children awaiting placement into a Foster Home) as our Cadets presented her with a check for \$12,000...this is an increase from last year by \$2,000.

This event provides an opportunity for our Cadets to serve their community while also enjoying many team building events during that 24 hour period. We appreciate the support from all of our families and supporters of the NJROTC Program and that of our Leadership here at the Ridge for allowing us to provide this opportunity to our Cadets and reinforcing the mission statement of the NJROTC program...motivating young people to become better citizens...developing responsible citizens who understand their rights, responsibilities, and privileges within American society.

DUAL CREDIT – COLLEGE COURSES

Did you request a Dual Credit college course next year at Catawba Ridge?

Dual Credit College Courses – Are you taking a dual credit college course next year at Catawba Ridge? USC-L, York Tech, and Winthrop require students to apply to the college as a dual enrolled student before taking a dual credit college class. Students MUST apply to the college for dual credit courses and be officially “admitted” before enrolling in Dual Credit college courses through

Catawba Ridge. The deadline to complete the dual credit college application is **May 15, 2025**. See the Guidance website, under College Credit Courses, for more details on the application process and procedures specific to each college.

Please note that many questions on the college application will need **parent assistance since several questions ask about SC residency - including SC driver's license, vehicle registration, tax information, etc. Please assist your student in completing this college application. Colleges ask SC residency questions, so that SC LTAP Funds (SC Lottery Tuition Assistance Program) can be used to cover tuition.*

Contact your [School Counselor](#) with questions ASAP.

Free high school sports physicals for student-athletes entering grades 9 through 12.

Students must be enrolled at an Atrium Health partner high school to participate.

Saturday, May 31, 2025 • 8 a.m. to 2 p.m.

Atrium Health Sanger Heart & Vascular Institute Kenilworth
1237 Harding Place, Charlotte, NC 28204

Each student-athlete will receive the following free services from our team of expert providers:

- Review of medical history
- General wellness sports screening for North and South Carolina
- Electrocardiogram (ECG) - This is a heart screening for sudden cardiac death to detect health risks before they become issues
- Echocardiogram (ECHO) to be scheduled if needed
- Orthopedic screening (musculoskeletal exam)
- Vision exam
- Registered Dietitian
- Hands-Only CPR training

Please register using the link or QR code between March 1 and May 10:

[REGISTER HERE](#)

For registration questions, please email hocday@atriumhealth.org

Atrium Health Musculoskeletal Institute

Please note:

The exam is a screening for school sports—not a complete physical—and does not replace the need for an annual physical with your doctor
