CHARACTER TRAIT CREATIVITY

Character Strong

Get Creative with expressing your emotions through a game of emotion charades! Gather as a family and brainstorm some emotion words. Write them on slips of paper and turn them facedown. Then, take turns choosing a slip of paper and acting out the emotion (assist with reading as needed). Other family members will guess the emotion that is being acted out. After each person's turn, take a moment to talk about what we may need when experiencing these emotions.
