VEGETABLE

Corn

Among the fantastic fresh summer foods we all anticipate, fresh corn on the cob is certainly a favorite. Technically, corn is a grain, but most often we use it like a vegetable. In most parts of the U.S., fresh sweet corn season is in full swing from July through September.

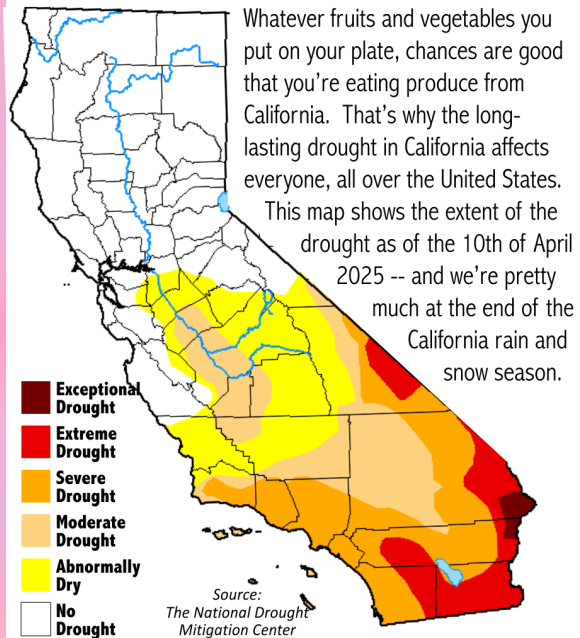

OF THE MONTH

Have a GREAT SUMMER!

Thanks for allowing us to serve you this school year.
We look forward to seeing you in August! Happy Summer!

When California is dry, we're all in a drought

- Percentages of U.S. production that comes from California:**
