## HIGH SCHOOL

**Billed through FACTS, no action needed. If course is not listed, then no online textbook is needed.**

### **Online Textbooks**

As Briarcrest Christian School has transitioned to a one-to-one laptop environment, the majority of textbooks are now online or digital. This allows students to “carry” and interact with their books on their laptops and has cut down on the cost of textbooks compared to purchasing traditional hardback textbooks. For your convenience, **access to all online textbooks will be given to students by their teachers and will be billed through FACTS in September. There is no action required on your part for your student(s) to receive their online textbooks.**

### **Hard Copy Textbooks**

See Hard Copy Textbook Bulletin.

### **Questions?**

Contact the Saint Shop at 901-751-6413 or [saintshop@briarcrest.com](mailto:saintshop@briarcrest.com) and we will be happy to answer any questions you may have.
