

# FILM PRODUCTION

**NORTHVIEW HIGH SCHOOL**

Pathways Prepare  
Vikings For The Future  
and Beyond

## PATHWAY OVERVIEW

This pathway allows aspiring filmmakers to produce media projects for business and entertainment. Students experience filmmaking's creative and technical aspects and learn about historical and contemporary traditions and conventions. Students are instructed on the basic principles of story development. Screenplay writing, storyboarding scheduling, budget planning, visual composition, color theory, camera setup and operation, sound and lighting equipment, and video and audio post-production applications using industry-standard software.

## COURSE SEQUENCE
