

## Junior High Summer Outdoor Enrichment Student Application

The application process consists of three parts:

- (1) Parental consent
- (2) Commitment to participate in all activities all days of the project
- (3) Completion of a written paragraph stating why you would like to be selected.

### Parental consent and commitment to participate...

I consent for our child to participate during the **May 27-29th** outdoor enrichment project; if selected, my son or daughter will participate in all days of the project. Students will meet in the high school commons in Albion each morning at 9:00 a.m. and depart on a bus from Boone Central's high school east main entrance to Olson Nature Preserve, where class will begin each day at 9:15 a.m. Students will return from there to the high school, arriving around 3:15-3:30 p.m. each afternoon. Each student will participate in all aspects of the project including nature study; plant, animal and bird identification; historical projects; creative writing projects and journals; map reading and orienteering and other projects typical of an outdoor educational experience.
