# EARLY CHILDHOOD SUMMER

## *Story Hours*

Join us for summer story hours that focus on school readiness skills for children ages 2-5 who reside in Charles County. The goal of the group is to provide enriching experiences that promote school readiness skills including language and literacy, mathematics, social foundations, and gross and fine motor development. Each group meets for 4 weeks. Registered participants should plan to attend all 4 weeks. A parent or caregiver must participate in each session alongside the child.

You **must pre-register using the link below for your preferred group**. Please choose only **one group** to allow more families to participate.
