

Who Are Highly Mobile Youth?

Students who experience or are at risk of experiencing multiple school moves during their K-12 education. This includes students experiencing homelessness (McKinney-Vento), students in foster/kinship care, and migrant students.

Who Qualifies for McKinney-Vento?

Any child or youth living in a vehicle, shelter, hotel, inadequate house, staying temporarily with relatives or friends due to economic hardship or loss of housing, or any other homeless situation.

SFOP believes all students and families should have the resources and support they need in order to engage in the learning environment with equal access to academic and social success.
