

CATASAUQUA MIDDLE SCHOOL NEWSLETTER

May 2025

PRINCIPAL'S MESSAGE

We just wrapped up the scheduled PSSA tests for ELA, Math, and Science. The students worked very hard and tried their best on the standardized tests. We saw an increase in students coming to school on time and a decrease in our student absentee rate. This improvement is a direct reflection of you and your family's support. Thank you for assisting us during this period. We will have 50 students take the Keystone Algebra I exam on May 13 and 14.

The end-of-year schedule was sent out recently, including an update on the last day of school. We will be offering summer school for eight days in June, beginning June 16, 2025. This is only for students who need to make up credits from the current school year.

The 8th-grade promotion ceremony will take place on June 6, 2025, in our auditorium and is **open only to parents and guardians** due to limited seating and the size of our 8th-grade class. We appreciate your understanding and compliance with this request. This is the time of year when all of our grade-level teams take students on field days and end-of-the-year getaways as a reward for their hard work all year long. Enjoy the much-needed warmer weather.
