

2025-2026 CSHS STUDENT VEHICLE PARKING APPLICATION

Acknowledgement Concerning Use of Student Parking Lots

Students are permitted to park on school premises as a matter of privilege, not of right. Driving a vehicle on school property is regulated by state law and school district policy. Students should drive in a safe manner in order to maintain the privilege of driving to school. Students will adhere to school regulations regarding speed limits, posted signs, designated parking areas (including staff and visitor parking areas), closed campus policy, etc. Students in violation of the rules and regulations, **including CSHS Attendance Policies**, will be subject to disciplinary action and may have their parking privilege suspended or revoked. Vehicles and students not in compliance with the parking rules and regulations will be identified and the student may be subject to disciplinary action and/or lose parking privileges. Students who leave campus during school hours without permission will be subject to disciplinary action and may lose parking privileges.
