

## **Off Campus Physical Education Program (OCPE) Frequently Asked Questions**

### What is Off-Campus Physical Education (OCPE)?

OCPE is an opportunity for elite athletes who are training at a highly intensive, professional level to receive PE credit for their participation in the individual sport or individual activity in which they are training.

### Who can participate?

Students in grades 6th – 12th grade who qualify, submit a completed application and are approved can participate in OCPE.

### What is the purpose of the Lake Travis Off Campus Physical Education Program?

The Off-Campus Physical Education (OCPE) Program is designed for students committed to developing advanced athletic skills through specialized training beyond what the school district offers. Students enrolled in OCPE receive physical education credit and cannot participate in school athletics or other PE courses simultaneously. Participants may earn up to one PE credit per year, with a maximum of four credits counting toward state graduation requirements. All students must complete at least one PE credit to graduate.

### What are the Texas Education Agency Guidelines for OCPE?

Texas Education Code 28.025, (b-10) and TAC Chapter 74, (Subchapter B) allows students to earn physical education credit through approved private or commercially sponsored programs. According to House Bill 72, such off-campus programs primarily support Olympic-level training. Each school district's Off-Campus Physical Education program must be approved by the Commissioner of Education.

### What are the two types of OCPE Waiver Options?

Category I - Grades 6-12 - Students must be participating in a program that leads to Olympic level of participation and/or competition for a minimum of 15 hours per week of highly intense, professionally supervised training. The student may be dismissed from school one period per day.

Category II - Grades 9-12 ONLY - Students must be participating in a program that is of high quality, well supervised by appropriately trained instructors, and consisting of a minimum of 5 hours per school week. The student can receive a PE credit, but may not leave campus for any portion of the school day.

### What are the enrollment options for Off-Campus PE?

Full-Year Program – Open to Middle and High School Students

Fall Semester Opportunity – ONLY High School Students Are Eligible

Spring Semester Opportunity – ONLY High School Students Are Eligible

### What does the OCPE waiver allow my child to be excused from?

The OCPE waiver only excuses a student from Physical Education or Athletics. It does not allow a student to miss any other class during the school day. Students must attend all other scheduled classes.

### Can my child switch between Athletics, P.E., and OCPE during the school year?

Middle school students may not transfer between Athletics, P.E., and OCPE at any point during the school year. High school students may not transfer between these options during a semester. All placement decisions must remain in place for the full duration of the approved term.

### How often must my child train to qualify for OCPE?

Students must train a minimum of four days per week under the direct supervision of a coach or professional trainer at an approved agency.

### Who is responsible for transportation to the Off-Campus PE program?

Parents are responsible for providing transportation to and from the physical activity program. Students must be picked up at the beginning of their scheduled off period and may not remain on campus during that time.

Can my child split hours between multiple agencies to meet the OCPE requirement?

No. Students may only participate with one approved agency at a time.  
Agencies cannot be combined to meet the minimum hour requirement.

Can tournament play count toward the required 15 hours for Category I activities?

Yes, but only up to 6 hours of tournament play per week may be counted toward the 15-hour weekly requirement for Category I OCPE activities.

Is travel time included in the time-on-task requirement for OCPE?

No, travel time is not included in the time-on-task requirement. Only the actual time spent participating in the physical activity counts toward the total hours.

Are summer activities counted toward the time-on-task requirement for OCPE?

No, summer activities do not count toward the time-on-task requirement for OCPE. Only activities completed during the school year are eligible.

Can Saturday and Sunday activities count toward the time-on-task requirement for OCPE?

No, activities on Saturdays and Sundays do not count toward the time-on-task requirement. Only activities conducted on weekdays (Monday through Friday) are eligible.

What happens if my child cannot meet the required hours due to weather, injury, or other reasons?

If a student is unable to meet the required 5 to 15 hours per week due to weather, injury, or other reasons, they must reschedule the missed hours to make up for the lost time.

What happens if the instructor does not submit the attendance report on time?

If the instructor fails to submit the attendance report by the deadline each grading period, the student will not receive P.E. credit for the waiver and may lose the opportunity to continue participating in the OCPE program.

What happens if the instructor does not submit the grade by the deadline?

If the instructor does not submit the pass/fail grade by the required deadline each grading period, my child may lose the opportunity to continue participating in the OCPE program.

What happens if my child transfers to a non-LTISD-approved agency during the school year?

If a student transfers to a non-LTISD-approved agency during the school year, they will be withdrawn from the OCPE program.

What happens if my child transfers to another LTISD-approved agency during the school year?

If a student transfers to another LTISD-approved agency during the school year, they must report the change within two weeks to remain in the OCPE program. Any changes to the student's training schedule, instructor, or agency should be reported to Tasha Barker at [watersbarkert@ltidschools.org](mailto:watersbarkert@ltidschools.org) or 512-533-6036.

Is the school district responsible for any contractual agreements with the agency, trainer, instructor, or coach?

No, the school district is not responsible for any contractual agreements made between the student and the agency, trainer, instructor, or coach. All agreements are the responsibility of the family.
