Grab a passport and a friend—it's time for an unforgettable art adventure!

In this immersive, five-day camp, students will "travel" the globe through the lens of art and architecture. Each day features a new country to explore, with hands-on projects inspired by global cultures and artistic traditions. From bold printmaking to vibrant watercolor, intricate collage to expressive clay work, young artists will experiment with a variety of mediums to create their own collection of meaningful, museum-worthy "souvenirs." Perfect for curious minds in grades 5–8, this camp blends creative expression with cultural discovery—offering a rich, engaging experience that both parents and kids will love. **Students must be signed-out and picked-up by an adult 18 years or older. No transportation.**
