Badger Needs Your Help!
Here is How...

Will Your Child be
Returning to Badger for
the 2025-2026 School
Year?

If you haven't done so already, please print and fill out the form on the next page and return it to school with your child. This will allow us to adequately plan for the upcoming year.

Greetings AASD Birth-Five families~

May is just around the corner, and we have a variety of activities and events to enjoy with your family and friends! For those of you planning for summer, we are excited to share our Fun in the Sun schedule in this month's newsletter!

In this email, we will include our activity calendars, playgroups offered throughout May and FREE community events and resources for you and your family. As a reminder, our Tuesday and Thursday playgroups are designed for parent/child or caregiver/child interaction and are FREE to all participants. Please note that registration is required for all playgroups and events during the school year and Appleton families continue to have first priority.

As always, if you are looking for resources or have specific questions, please reach out to us via email at tzakaisdaniell@aasd.k12.wi.us or you can call us at 920-832-6470 and one of our Resource Facilitators will be happy to connect with you. Wishing you kind thoughts from our Birth-Five Outreach Team!
