HUNTER STREET ELEMENTARY 2024-2025

Mission

Our mission is to cultivate a service-oriented community of learners who strive for personal growth and excellence as communicators, collaborators, and critical thinkers.

A Message From the School Improvement Council

Hunter Street's School Improvement Council plays a crucial role in shaping the direction and vision of our school. By prioritizing community involvement, we ensure that the voices and needs of our community members are heard and incorporated into decision-making processes. Emphasizing service to our community fosters a sense of responsibility and civic duty among students, encouraging them to give back and make a positive impact. By providing opportunities for family engagement, we create a supportive network that strengthens the bond between the school, families, and the wider community. Together, through collaboration and shared values, we can create a learning environment that is truly inclusive, supportive, and enriching for all involved.
