Business- Site Visits

On April 23, district leaders visited Green, Mitchell, and FDR schools to assess facility conditions.

Observations included aging infrastructure, outdated classrooms, and deferred maintenance issues.

The visits highlighted the need for improvements to enhance safety, accessibility, and learning environments.

Business- Digital Marquees

Marquees at Addams and Anderson will be replaced this upcoming June.

New marquees will be fully digital with the options of displaying images.

Remaining schools will be worked on next school year.

Business- PACE Updates

- PACE construction at Green is near completion.
- They will begin moving their operations to the new location this summer and will be fully operational by August.
- PACE construction at Anderson is scheduled to begin in June.
