RAP INNOVATIVE LEADERSHIP LAB

2024-2025 Program Summary

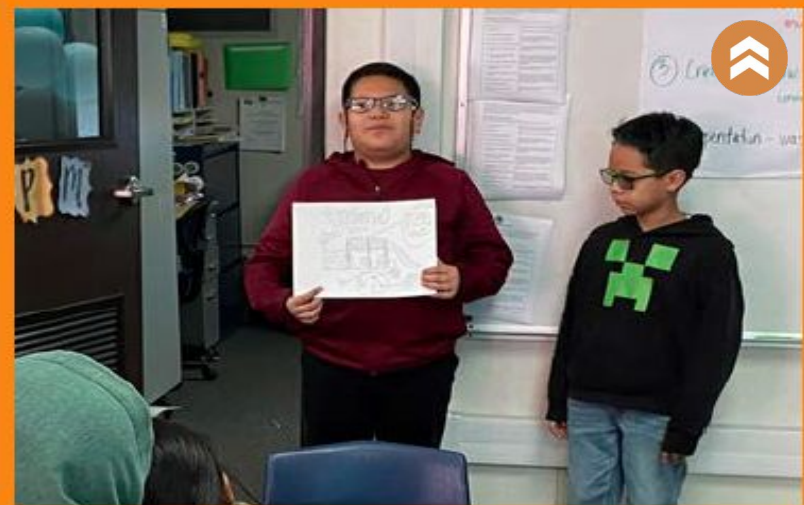

This year-long professional development initiative focused on:

- ✓ Applying **design thinking** to administrative and teacher leadership practice
- ✓ Launching **student projects** that emphasize real world challenges and creative problem solving
- ✓ Supporting a **district-wide Innovation Symposium** and submissions to **national and international showcases**
- ✓ **Teambuilding and leadership skill** development

100%
of student
finalists said they
enjoyed their
overall
experience with
Spark Invention.
