You're almost there CMS! Today is the last day of CAASPP Testing. After the 2nd break, please report back to your 1st period class for testing. When testing concludes, please head to the gym for a Staff vs Student Dodgeball Challenge! We will have lunch and continue with more Field Day Events before moving through the rest of our afternoon classes. There will be testing makeups next week if you were absent this past week.

 **Today is the day CMS!** We want to congratulate all of you for putting so much effort into the CAASPP testing. To show our appreciation, the CMS and CHS Leadership classes are hosting an afternoon of fun! Immediately after testing, we will begin the celebration with a staff vs student dodgeball game. We will see if the students or the staff have what it takes to demolish the other team. After the dodgeball battle is over, you can head out to the main quad, sports court, or back field to participate in a variety of activities. When you participate, you will earn tickets to put in for a drawing for awesome prizes. We have everything from Jellycats to Carmel Surf Shop Hats to The Big Squeezy gift cards to Sweet Reba's gift cards to the Grand Prize of a brand-new set of AirPods. Drawings will take place throughout the afternoon. We can't wait to see you after testing!

 **Monday begins our Teacher and Staff Appreciation Week!** We would love it if all of you would take the time over the weekend to think of something special to do for the teachers and staff members who have made a positive impact on your life. The leadership students and CMS PTO will be celebrating our teachers and staff members all week long, and we hope you will do the same.

 **Good morrow, all citizens of Carmel Shire!**
