

Gallipolis City School District

Annual Technology Provider & Device Monitoring Notice

This letter serves as the District's annual technology privacy notice consistent with Ohio Revised Code Sections 3319.325 - .327.

Technology Provider Contracts

Below, please find a list of all technology providers that have access to students' educational records to provide curriculum, testing, or assessment services. If you wish, you may review a complete copy of the District's contract with any of the below technology providers, ask questions, or relay concerns by contacting the Technology Department at technology.department@gc-k12.org.

Technology sharing can be categorized into the three sources below with descriptions and examples of each. Please note, that depending on the service, not all examples may be shared with the provider. Also, the examples are not necessarily an exhausted list of data points, but an idea of the type of data being shared.

Basic - Basic school student ID data (name, email address, student ID, grade)

Directory - non-harmful demographic data (address, date of birth, activity participation, gender)

MircoData - Individual-level student data (courses, grades, test scores, attendance, behavior)

Technology Provider	Educational Records	Grade Levels	Data Source Shared
Abre	Centralized Data Platform	PK-12	Basic, Directory, MicroData
ACT	Online Testing Platform	9-12	Basic, Directory

General Monitoring of School-Issued Devices

Please be aware that the District, either directly or through a technology provider, is electing to generally monitor all school-issued devices (as that term is defined by R.C. 3319.325). The monitoring will include the following features: location tracking and student interactions with school-issued devices (e.g., keystrokes and web-browsing activity). The District generally monitors these features for the noncommercial education purpose of instruction, technical support, and/or exam proctoring. Additionally, these features are generally monitored as a necessary precaution for preventing and/or responding to threats to life or safety.
