

Finals Snack Packs

For just \$5.00 per snack pack, your student will receive your words of encouragement and a bag stuffed with snacks for the week! What a great way to help your student out during finals – the kind of help they'd really enjoy! This will be delivered during Seminar during the Monday of finals by the Railiners. Drop the form and payment at the NHS office by Friday, May 16th. Snack packs available for grades 9th-11th.

This is the first fundraiser for the 2025-2026 Railiners Dance Team. The money raised from this allows us to pay for camp, new uniforms, and new poms for the upcoming year. We hope that this will not only help with our expenses, but brighten your student's day as well! We would great appreciate your support! Thank you!
