

THE EAGLE'S NEST!

May 2025

A note from the Principal

Finishing Strong in May,

What an exciting year we have had so far. Thanks so much for learning, listening, and growing with your students, the faculty, and staff here at OPS. Please know that in one way or another, you all have played a huge part in the work done daily to make teaching and learning our number one focus.

We thank you for adhering to our start and end times, volunteering and your support. A part of educating the whole child is setting high expectations for all of our boys and girls to be honest, have strong morals, and always do what is right. During the month of May, we have our crossover ceremonies, fun day activities, field trips and so much more.

As principal, I want to take this time to show my gratitude for an amazing first year. Building relationships have been important because they provide a foundation for the work being done. Thank you for embracing me and allowing me to work with and for you this year.

Consider purchasing a yearbook to remember the memories of 2024-2025. They are \$25.00, and our front office staff can tell you how. We only have a few left.

We are looking forward to a great wrap-up to the year and the most amazing summer anyone could ever imagine.

Yours Humbly Principal Wright
