Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the **Grade 1** Renaissance Star Reading assessment on Wednesday, May 7th and Star Math assessment on Wednesday, May 14th. The results from PM3 will show how well your student has mastered the grade level content standards, and your school will provide information about how to access the results.

Your student's FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions. If you or your student would like to review Star Reading or Star Math sample items at home, sample test items are available at <https://flfast.org/families.html>.

The Star Reading assessment is usually completed in less than 20 minutes, and the Star Math assessment typically takes less than 30 minutes to complete.

For more information about the FL Statewide Assessments program, please visit the portal at <https://flfast.org/fsa.html>.

If you have any questions related to this test administration, you may contact Dr. Demetropoulos at 386-446-6720 ext. 4172.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Amy Neuenfeldt
Principal
