1	PD	Funds to provide opportunities for Department grade level teams to: 1. Use District designed pacing charts and California State Standards to plan and implement curriculum inside each Poly classroom. 2. Analyze data from IReady and other common assessments to identify student gaps in learning and develop lessons to help students bridge those gaps and move towards grade level proficiency. 3. Identify common interventions to utilize across grade levels and departments to help reduce the D/F rate for Services LCFF 100%	<30,000>	0	0	0	0	0
2	PD	Pathways will specifically update their Pathway Student Outcome Charts, develop integrated lessons that align the Core Academic and CTE standards and develop pathway interventions with the purpose of progressing towards Silver Certification and increased student achievement and sense of belonging for all pathways..
