Dear Hunters Glen Families,

May has arrived and we are down to one month of school left for this school year - it has flown by! We understand that April was a lot of testing for our students, especially for our 3rd, 4th, and 5th graders. As of tomorrow, all MAP and CMAS testing are completed for all students. We are proud of how hard our students worked!

## May Special Events

We have lots of fun events planned for our students this month! Please see below for dates and times.

- **PTO Science Assembly** - PTO is bringing a Science Assembly for our students tomorrow, May 2nd to celebrate the end of testing and because students voted to have more assemblies this year.
- **Mayor's Mile/Lions Club Relay** - Mr. G has been in contact with families whose students are running these races. This event is this Sunday, May 4th at Five Star Stadium. More info on the website:

- **Kindergarten Celebration & 5th Grade Continuation** - We will be celebrating our Kindergarten students for completing their first year at Hunters Glen and will be sending off our 5th graders to middle school on the last day of school, Thursday, May 29th. Our kindergarten celebration is scheduled for 11:15 and 5th Grade Continuation is at 12:00. Additional details will be shared with those grades.

## Animals on District and School Grounds

A reminder that while many of us have our own dogs and other animals at home, it is Adams 12 District Policy that no dogs or other animals are allowed on school property, especially during arrival and dismissal time. Thank you for your understanding.
