Dear Vadnais Heights Families:

It's time for our Cereal Run, Field Day, Color Run, the Talent Show, Graduation and all of the incredible spring things that happen in the last weeks of school. It's our hope that your child's memories of V.H.E.S. will be amazing and we're all here to partner with you to make sure we are meeting the needs of your child.

Make sure that your calendar is marked for May 8th because we are hosting our Spring Extravaganza. There will be free pizza, fruit, cookies and water along with a community service project known as "Kindness in Chalk." Our 3rd, 4th and 5th grade students will be performing for everyone at 6 PM so bring a blanket or chair and enjoy yourselves. This is going to be another spectacular event to have our students, families and staff together for the final celebration of this school year. I hope you can join us at school!

As we get closer to the last day of school there are several events scheduled. Please be sure to check our calendar and messages through SeeSaw to ensure your child doesn't miss any of them. This year has been incredible and we couldn't have done it without each and every one of you. As you settle in for summer, remember to keep reading a part of your plans. Read together, check out libraries and garage sale deals on books and find ways to mix it up and make it fun for your whole family.

Have a wonderful, safe and happy summer!

A Special Thank You to our Teacher Candidates: Annie Johnson, Taylor Lamere, Hnubci Moua, Caitlin Nicol, Olivia Olson and Vallerie Wallace who have been with us this entire school year as part of their education program through the University of MN.

All of the student teachers have been great additions to our school and we are grateful that they spent time with us at VHES. We wish them all the best as they begin their careers in education.

101 Dalmatians!

There were two magical nights at the Hanifl Theater and a preview performance at school when our talented students performed 101 Dalmatians Kids. This was a partnership between our school and [Children's Performing Arts](#). We had 33 students from 4th and 5th grade who worked very hard over several months to learn lines, songs and choreography. A big thank you goes out to Mr. Theissen, Ms. Miller and Ms. Petrik for making the performance come to life. Thank you also to our PTO for their generous financial support. What a wonderful opportunity for our students.

5th Grade Graduation

Congratulations to the Vadnais Heights Elementary 5th Grade Students on completing their elementary requirements. We are proud of their many accomplishments and we're excited to celebrate their graduation.

Parents, grandparents and special guests are invited to our school on Wednesday June 4th, for the graduation walk and reception. The walk will begin at 10:00 and it will include high school seniors who attended V.H.E.S.

The reception will take place immediately following the graduation walk on our playground - near the purple dinosaur.

Please park and enter through Door A and you will be directed to the appropriate spot. It is recommended that you arrive by 9:55.

Earth Day

Thank you to all the classes that helped clean up around our school for Earth Day!

Staff Appreciation May 5th - 9th

We are grateful to have an incredible staff who work to support students, families and the community each and every day. The entire staff at V.H.E.S. is amazing and our PTO will be acknowledging everyone with daily treats throughout the first week of May. Thank you one and all!
