

May

4th Grade

Reading

This last month of school will be finishing up Transcontinental railroads. Next we will begin learning about how the Earth Changes with natural disasters.

Math

During these last few days of school we revisiting fractions, decimals as well as multiplication and division. We continue to push our understanding of more difficult concepts and problems.

Writing

We will be working out our state projects! It is our last big project for 4th grade:)

Science/ Social Studies

We will be finishing up immigration and beginning our final project on the United States.
