

Create a Shortcut to myLD on the Desktop using Google Chrome

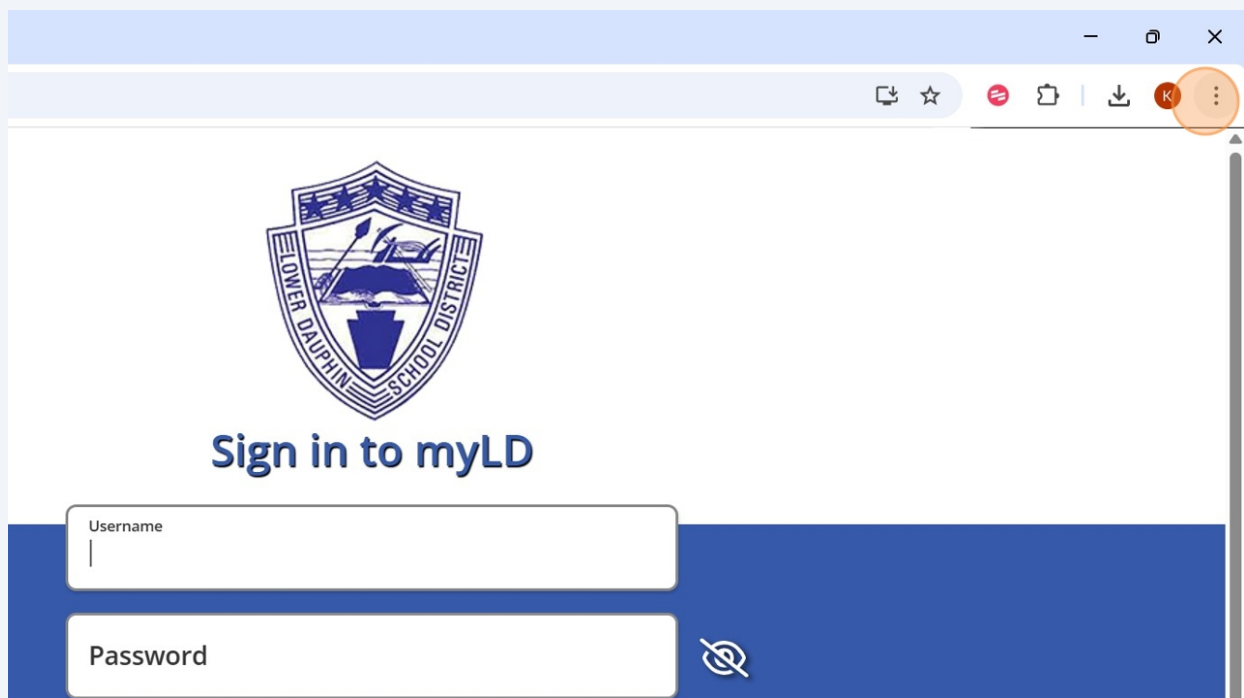

1 Open Google Chrome

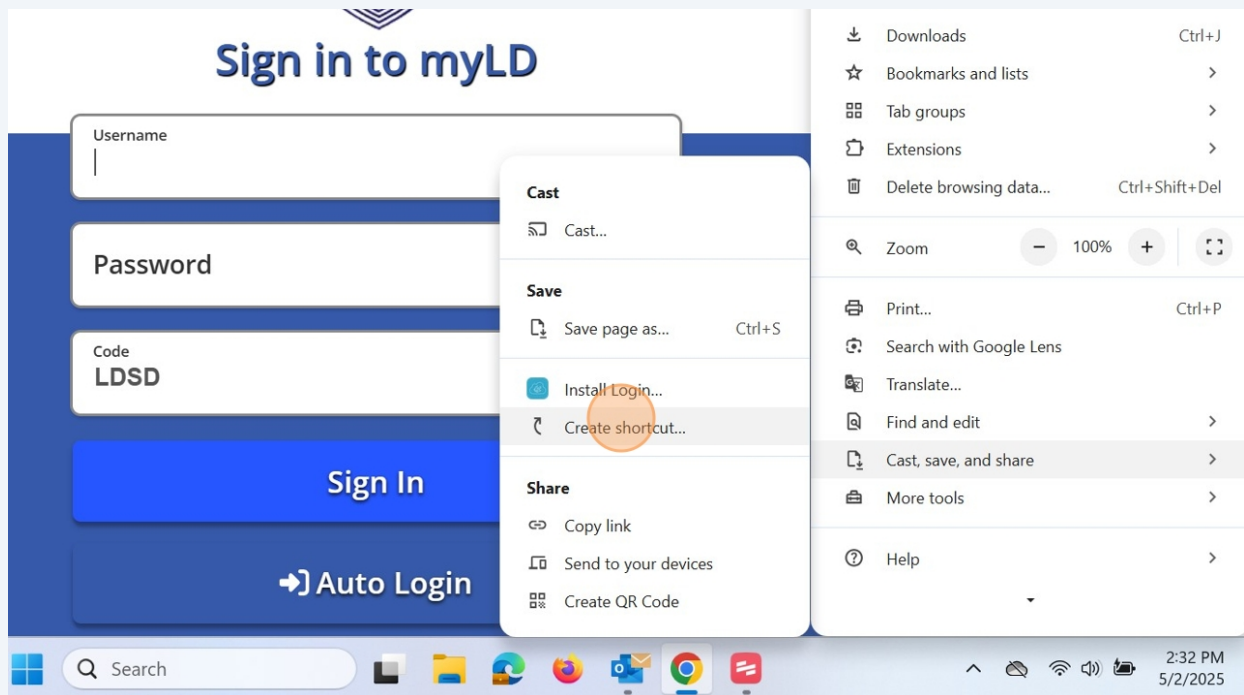

2 Type launchpad.classlink.com/ldsd and press **Enter** on your keyboard

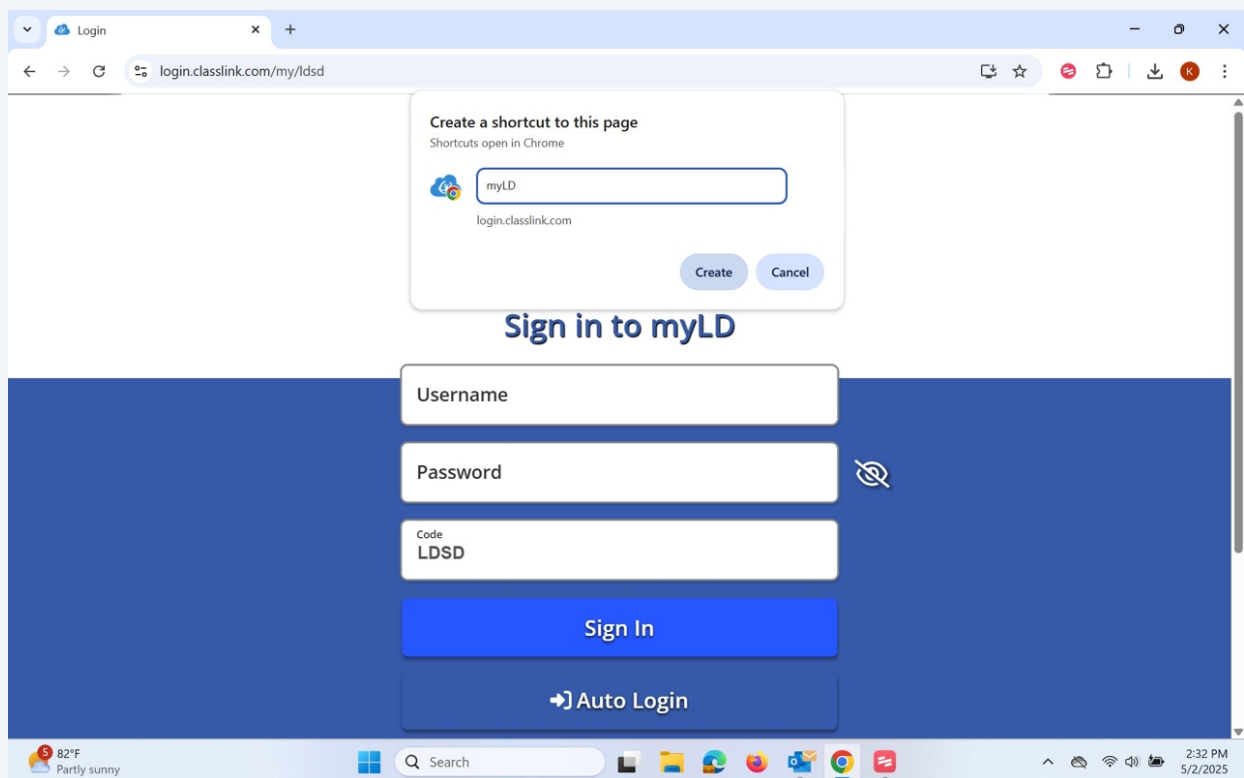

3 Click on the three "snowman" dots

- 4 Click "Cast, save and share" and then select "Create shortcut..."

- 5 Type myLD

6

Click "Create"

The screenshot shows a web browser window with the address bar displaying "m/my/ldsd". A "Create a shortcut to this page" dialog box is open, with the text "Shortcuts open in Chrome". The dialog box contains a text input field with "myLD" and the URL "login.classlink.com" below it. There are "Create" and "Cancel" buttons at the bottom of the dialog box. Below the dialog box, the text "Sign in to myLD" is displayed. Underneath this text are two input fields: "Username" and "Password". To the right of the "Password" field is a login icon (a circle with a diagonal line through it).
