Dear Parents and Guardians,

Beginning Monday, May 5, 2025, new metal detectors will be in place at all three of our school campuses. This measure is part of our ongoing efforts to enhance the safety and security of our students, staff, and school communities.

Adding metal detectors is a proactive step aligned with best practices in school safety. We aim to create an environment where students can focus on learning, knowing their well-being is a top priority.

Trained personnel will oversee the process to ensure it is conducted efficiently and respectfully. We are committed to maintaining a welcoming atmosphere for our students while implementing these precautions.

We appreciate your support and partnership as we continue working to keep our schools safe. If you have any questions or concerns, please don't hesitate to contact your school's administration.

Briana Mann: Margaret Newton Elementary School 731-253-7253

Gamble Snyder: Lara Kendall Elementary/Middle School 731-264-5586

Dr. Jamie Elliott: Lake County High School 731-253-7733

Thank you for supporting and keeping our kids safe.
