School Nurse Update- Things to keep in mind for the next school year

Hi everyone! My name is Terri Zahorik and I am the nurse for your student's school. As the end of the year is quickly approaching, I would like to remind you that if your student has medications at school, to please pick them up.

District policy states all medication, prescription and over the counter, must be picked up by a parent/guardian. We will not send any medication home with a child, so please plan accordingly.

Please pick up any medications by ***June 5***. All medications not picked up by that time will be properly disposed of. If you have any questions, you may contact me at 920-272-7652. Please remember that a new medication consent form is needed each new school year.

I would also like to share some updates with you so you can prepare for the next school year.

Did you know that you can use the Infinite Campus Parent Portal to access your student's health information, medication needs and immunization requirements for the school year? If you need help accessing or connecting to the Parent Portal, please contact the school district's help desk at 920-448-2148

Immunizations- Summer is a great time for check-ups with your students' primary care doctor and to make sure they are up to date on their immunizations. This is a school requirement. If you choose not to have your student immunized, an immunization waiver must be signed.

Medications-If your student requires medication for the 2025-26 school year (epi pen, inhaler, prescription medication) please fill out the medication authorization form, sign it, have the prescribing doctor sign it and return the completed form to school. The medication authorization form can be picked up in your child's school office or you can find it online at GBAPS.org. All prescription medications must be in the original container and brought in by you, the parent/guardian. The same procedure applies to all over-the-counter medications except that we do not require a doctor's signature.

Vision- Summer is an excellent time to have your child's vision checked. Yearly eye exams are an important part of your child's health. If you need recommendations on where to go for an eye exam, please email or call me.

Contact Information – Please ensure that your Infinite Campus contact information is up to date. This includes any changes to your address, telephone number, email and emergency contacts. There are times throughout the school year that we may need to reach you in the event of an emergency or to update you on the health and safety of your student. If there are changes to be made you can access the Parent Portal in Infinite Campus or contact your school's main office.

If you have any questions or concerns, please feel free to call me at 920-272-7652 or email me at tczahorik@gbaps.org. I hope everyone has a safe and happy summer break!
