MESSAGE FROM THE PRINCIPAL

Panther Nation,

May 1, 2025

Our last month of school is here! Our 3rd, 4th, and 5th grade students did an INCREDIBLE job persevering through CMAS testing! Our Kindergarten, 1st, and 2nd grade students were warm-hearted with their amazing hallway decorations and tokens of encouragement. For the past two years, Polton has been rated in the Performance Level based on our CMAS results. Performance is the highest rating a school can receive and not only are we hopeful to remain in the Performance level, but to grow as well! Results from CMAS take time to process, so please know we will share the status of our performance as a school along with individual results when we receive the information in September.

We hope to see you tonight at our Cultural Night from 5-6:30 pm. It should be a fun night honoring all the cultures within our building and learning more about our families. There will be food, entertainment, and activities for all to enjoy!

Teacher Appreciation week is coming up quickly, May 5-9th. Our teachers rock! They are so passionate about providing the best learning experiences for our students all while creating classroom communities so every student has a sense of belonging. There are never enough ways to say thank you for what they do, but we will try our hardest to make sure they feel the love next week! Events for Teachers will be happening all week. See below the sign ups. On Tuesday, send your student with a flower to help them make an INCREDIBLE arrangement.

The next three weeks will be a whirlwind to wrap up the 2024-2025 school year! Due to our amazing fundraising efforts for our Readathon earlier this year, we will do our "INCREDIBLE INFLATABLES RACE" on Friday, May 16th starting at 8:30 am. Prepare yourself to see some of your beloved Polton staff members in inflatable costumes racing to be #1! We have some highly competitive staff members, so this should be a treat to watch! This event will be held before our annual Field Day begins with 3rd-5th in the morning and K-2nd in the afternoon. Please make sure kids come to school with tennis shoes, a water bottle, and are wearing sunscreen. If you want to volunteer, there is still room on the sign-up linked below. **Please remember to check in with the office and get a visitor's sticker before joining us on the field.**

Anna will be moving to Chicago and Kate will be teaching at another CCSD elementary school. They are wonderful teachers who have made such an impact in such a short time. We will miss them dearly! Once a panther, Always a panther!♥

We are always grateful for our Polton Community. Thank you for all that you do to support Polton! Have a great summer!

camp comfort

Dear Parent or Guardian,

While issues of grief and loss are hard for anyone to handle, they can be especially painful and confusing for children. Sharing with other children who are in similar situations and knowing that they are not alone can be very helpful. We invite your child to take part in a positive, healing experience with Camp Comfort.

Founded in 1995, Mount Evans Home Health Care & Hospice's bereavement camp has helped more than 2,000 grieving children ages 6 to 12 find a path through their grief. Camp Comfort will be offering two weekend long camps in the mountains and one day camp for three days in metro Denver this summer. Children learn ways to cope with their grief through workshops and activities, building skills to help them now and throughout their lives. Workshops are balanced with exciting recreational and creative activities, so that children feel free to have fun and just be kids.

Our hope is that an experience at Camp Comfort will assist your child in understanding their loss while having fun and finding support with other children who have lost a loved one.

With Hopes of Healing,
The Camp Comfort Staff

Estimado padre o tutor,

Si bien los problemas de duelo y pérdida son difíciles de resolver para cualquiera, pueden ser especialmente dolorosos y confusos para los niños. Compartir con otros niños que están en situaciones similares, situaciones y saber que no están solos puede ser de mucha ayuda.

Invitamos a su hijo a participar en una experiencia positiva y curativa con Camp Comfort. Fundada en 1995, Mount Evans Home Health Care & Hospice, Camp Comfort ha ayudado a más de 2,000 niños en duelo de las edades de 6 a 12 años a encontrar un camino a través de su dolor. Camp Comfort ofrecerá dos campamentos de fin de semana en las montañas y un campamento de día para tres días en el área metropolitana de Denver este verano. Los niños aprenden maneras de afrontar su duelo a través de talleres y actividades, desarrollando habilidades para ayudarlos en el presente y durante toda su vida. Los talleres están equilibrados con actividades emocionantes, recreativas y creativas, para que los niños se sientan libres de divertirse y ser simplemente niños.

Nuestra esperanza es que una experiencia en Camp Comfort le ayudará a su hijo en la comprensión de su pérdida mientras se divierte y encuentra apoyo con otros niños que han perdido a un ser querido.

Con esperanzas de curación,
El personal del campamento
