Last Month

Last month we continued to focus on being kind and mindful remembering that our actions can cause other's feelings to get hurt. The kids had so much fun during our Spring Celebration. We had a bunny visit us, and it was a big hit. The older kids went on a nature walk and found lots of lady bugs. Lastly for our fun Friday the kids used fruit loops and created a colorful bracelet.

We will have a salsa party, this will give the kids an opportunity to enjoy different salsa flavors. Lastly we will have our annual end of the year water day party. Kids are welcome to bring their bathing suit if they wish to change. Want to give a big shout out to all the sixth graders that are moving onto middle school. We will miss you!!
