Last Month

In April we learned new ways to doodle (and how doodling is helpful for our brains!), made little birds out of pipe cleaners for Draw a Bird Day, tried chocolate "pudding" made from cocoa, bananas, and avocados(!), and practiced team work and collaboration by tracing our friends for a HUGE Gateway Kids Club mural!

Reminders

We want your trash!

Please bring paper towel/TP tubes, old magazines, and newspapers! We need as many as we can get!

Please check lost and found for any lost items

Make sure to call or text the site phone for any absences.

Deadline for schedule changes must be made by 12:00pm Wednesday of the previous week.

Coming Up

We have a FUN-PACKED last month of school! We're making constellation projections from paper cups, stickers from old magazines, we have a Pokémon Show & Tell day, and later will use square paper to make our own pixel art (Minecraft inspired!) We also have a Water Day Wednesday and our End of School party!
