Last Month

The month of April was a great opportunity for us to get our hands into the dirt and learn about our Earth! We I.D.'d plants, built boats, planted seeds, relaxed, and even built hotels for *bugs* to relax in! We saw lots of problem-solving skills get developed and creativity flowing as we tackled multiple STEM projects!

Reminders

Please check lost and found for any lost items!

Call or Text site phone for any absences.

Deadline for schedule changes must be made by 12:00pm Wednesday of the previous week.

Coming Up

For our last month of school we are most excited to be having our very own week-long Olympic Games culminating in a water-day medal ceremony! We will also be making Summer bucket lists, and celebrating our teachers with a service project! We will finish the year with a highly anticipated videogame party!
