Annalisa Moore, Executive Director
Nea Community Learning Center
1900 Third Street
Alameda, California 94501

Dear Annalisa Moore:

Based on the Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) mid-cycle visit, it has been determined that Nea Community Learning Center (K-12) meets the ACS WASC criteria for accreditation. This accreditation status is based on all of the information provided by the school, including the school's progress report, and the satisfactory completion of the mid-cycle accreditation visit.

Nea Community Learning Center's accreditation is now reaffirmed through the end of the current accreditation cycle ending on June 30, 2028.

Accreditation status is conditioned upon Nea Community Learning Center's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to Nea Community Learning Center's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education.

Sincerely,

Barry R. Groves, Ed.D.
President
