

Welcome to Kindergarten!

Please join us as we go fishing for information on how to make Kindergarten at Shakerag a success!

Wednesday, May 7

5:00 p.m. - 6:00 p.m.

We welcome our newest Sharks to join us with their parent(s).

We will begin our charter in the media center.

Students will get to enjoy a quick story and then they will sail off to explore the kindergarten classrooms while moms and dads learn how to navigate the waters of elementary school.

(Current Shakerag PreK students do not need to attend unless they would like to join us!)

If you are hooked, please use the QR code or link below to secure your spot on or before Friday, May 2.
