Dear Haldane Community -

As a reminder for your summer planning, New York State law requires that every child enrolled in school submit a recent health examination form/report of a physical exam dated no more than one calendar year prior to entering **Pre-K, Kindergarten, and grades 1, 3, 5, 7, 9, and 11**. This must be submitted within 30 days of the start of the school year. Students new to the District must also submit a recent physical within 30 days of enrollment in the District.

Students wishing to play interscholastic sports must have an annual health exam. A dental exam form is also requested, but not required at these same times.

Your child's health care provider is always the best choice for these exams. We encourage you to call early as it may take several weeks to schedule exams during the busy summer and fall months.

Thank you.
